Energy Efficiency Program Questionnaire

	<u>YES</u>	<u>NO</u>
1. Are you a locally owned company ?	_____	_____
2. Does your company/institution spend more than \$200,000.00 a year on any one 480 volt main transformer's electrical consumption?	_____	_____
3. Is your consumption rate more than \$.06/kWh?	_____	_____
4. Would you be willing to invest in a 20 year Cost Reduction Program with a potential payback of 2 years or less?	_____	_____
5. Would you be interested in a Paid From Savings Plan that <i>guarantees savings performance</i> and requires no new dollars to financially support?	_____	_____
6. Are there Main Capacitor Banks in use? (If yes, kVAR size: _____)	_____	_____
7. Do you have plans to acquire any power conditioning equipment?	_____	_____
8. Electrical System Line Diagram availability? (Please provide if available)	_____	_____
9. Estimate the total annual electric costs for the main transformers involved. If possible, please provide complete copies of the last 12 months' utility bills.	\$ _____	_____
10. Weekly hours of business operation (please note any anomalies for networks):	_____	_____
11. Main Transformer's Specifications expressed in kVA size & voltage (i.e., T1: 750kVA, 4160/480V):		
T1: _____ T2: _____ T3: _____ T4: _____		
T5: _____ T6: _____ T7: _____ T8: _____		
T9: _____ T10: _____ T11: _____ T12: _____		
T13: _____ T14: _____ T15: _____ T16: _____		
12. Essential Account Information (Please print in sufficient size for Faxing):		
Business Name _____		
Shipping Address _____		
PO Box # _____ City _____ State _____ Zip _____		
Contact _____ Title _____		
Telephone (_____) _____ Extension _____ Fax (_____) _____		
13. Please indicate your HES Sales Rep., if any: _____ Date: _____		

**Note: Please FAX this completed document to HES Headquarters at (585) 248-8235.
(Allow up to two weeks for analysis, processing, and delivery of the resulting FREE Operating Cost Reduction Report.)**
